All Women who served our nation in WWII includes; Army, USMC, Navy, Coast Guard, Army Air Corp, WASP, Army and Navy Nurse Corps and Public Health Services. The non-military and women volunteers that provided valuable services to our nation during the time of WAR and deserve recognition are American Red Cross, Civil Defense Volunteers and Rosie the Riveters.

If you know of anyone who fits any of the above categories, we would be honored for them to join their WWII Sisters for a special night of recognition and honor. Tickets will be provided at no charge for our WWII Women to attend.

We want the WWII Women to assemble in Building 21 at Carl T. Hayden VA Medical Center 7<sup>th</sup> St. and Indian School Rd. no later than 4:15. Upon arrival at the VA they will be provided drinks and snacks prior to boarding the motorcoach at 4:45. The motorcoach will leave at 5:15 escorted by motorcycles to US Airways Center Arena for a grand welcoming upon arrival at approximately 5:30.

We ask that transportation be provided for them to the VA Medical Center and home after the recognition and/or game. The pre-game recognition starts at 6:30 and game tip off is at 7:00. Assistance will be made available to them at all times. They can leave at any time they feel it necessary to do so providing transportation is available.
